

Medical Laboratory Scientist Microbiology Part-time, 48 hours per fortnight

Laboratory Services Rotorua provides high quality, efficient and progressive medical laboratory diagnostic services to the community and hospital of Rotorua and its surrounding districts.

We are seeking an experienced Medical Laboratory Scientist to join our busy Microbiology Laboratory based at the Rotorua Hospital.

You will be a qualified New Zealand registered Scientist with sound knowledge and experience in a medical Microbiology laboratory. The ability to show initiative, willingness to work in a team and good communication skills are essential.

This is a part-time position with participation in an out of hours roster, including day and evening shifts rostered as required.

If you are interested in this opportunity, to apply please email your CV and cover letter detailing your availability to:
